About Mao Global

Your reliable partner in the world of parallel import and investments

Mao Global is a leading platform for parallel importing goods from the USA, Europe, and Asia to warehouses in China and Russia. For over 3 years, we have specialized in supplying goods in small quantities, ensuring fast delivery and convenient conditions for businesses of any scale. Our direct connections with trusted manufacturers allow us to offer clients products at competitive prices, without intermediaries, which increases margin and transparency of each deal.

During the sanctions period, we offer effective solutions for delivering goods to Russia through third countries such as China, UAE, Armenia, Belarus, Kazakhstan, and Kyrgyzstan. This allows us to ensure uninterrupted supplies and minimize risks.

We strive for long-term development and business expansion by investing in optimizing logistics processes and implementing advanced technologies. Mao Global is your reliable partner, offering high-quality products and flexible cooperation conditions for your business.

Career Ranks

Beginner

A basic level for new participants, ideal for those just starting to build their partner network. This level allows users to start earning with minimal requirements, without needing a personal deposit or first-level sales volume.

Requirements

💰 First-Level Turnover	0.00 USD	💰 Personal Deposit	0.00 USD	🔗 Reward	5% / 2% / 1%	💡 Bonus	0.00 USD
------------------------	----------	--------------------	----------	----------	--------------	---------	----------

Associate

The first advanced level, offering additional opportunities. Participants at this level receive a small bonus and increased partner reward rates, making it a great choice for those looking to slightly boost their income.

Requirements

💰 First-Level Turnover	1000 USD	💰 Personal Deposit	100 USD	🔗 Reward	5% / 2.5% / 1%	💡 Bonus	25 USD
------------------------	----------	--------------------	---------	----------	----------------	---------	--------

Specialist

A level for active participants aiming for growth. Holders of this status gain access to a fourth level of rewards and a moderate bonus, making it ideal for those focused on developing and strengthening their network.

Requirements

💰 First-Level Turnover	3000 USD	💰 Personal Deposit	300 USD	🔗 Reward	6% / 3% / 1.5% / 0.5%	💡 Bonus	50 USD
------------------------	----------	--------------------	---------	----------	-----------------------	---------	--------

Professional

A level for experienced participants who are actively expanding their network and want to earn more. With this status, the bonus and reward rates increase. Professional is suitable for those seriously committed to growing their partner structure and achieving their goals.

Requirements

💰 First-Level Turnover	10000 USD	💰 Personal Deposit	1000 USD	🔗 Reward	6.5% / 3.5% / 2% / 1%	💡 Bonus	150 USD
------------------------	-----------	--------------------	----------	----------	-----------------------	---------	---------

Expert

The highest rank with access to the maximum number of reward levels and a substantial bonus. This level is designed for those who have achieved significant success in the partner program. The reward percentage remains stable, ensuring a balance between profitability and project sustainability.

Requirements

💰 First-Level Turnover	25000 USD	💰 Personal Deposit	2500 USD	🔗 Reward	7% / 4% / 2% / 1% / 0.5%	💡 Bonus	300 USD

Parallel Import Services.

Comprehensive solutions for seamless deliveries and profitable purchases

Mao Global offers a full range of services in the field of parallel import

Providing our clients with favorable conditions for purchasing, transporting, and customs clearance of goods from America, Europe, and Asia. Our solutions allow us to minimize delivery times and reduce costs by offering flexible and efficient logistics routes.

Service Type

Includes

01 Direct Purchase of Goods from Manufacturers

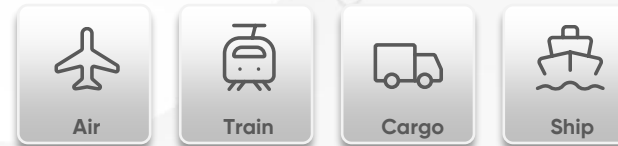

We organize the purchase of goods without intermediaries, which allows reducing costs and ensuring direct access to quality products. Thanks to long-term partnership relations with international manufacturers, we can offer favorable wholesale prices on a wide range of products: from auto parts to industrial goods and consumer electronics.

- ✓ Competitive prices without intermediary markups.
- ✓ Wide selection of products from trusted manufacturers.
- ✓ Product quality guarantee.

02 Logistics Services and Transportation

Mao Global offers comprehensive solutions for transporting goods from the USA, Europe, and Asia to warehouses in China and Russia. We provide safe and fast delivery, bypassing third countries, significantly reducing transportation time. Using direct routes makes delivery more efficient and reliable.

- ✓ Transportation by sea, rail, and road.
- ✓ Tracking of goods at all stages of transportation.
- ✓ Fast door-to-door delivery.

03 Customs Clearance

We provide full support for the process of customs clearance of goods. Our experts work with the customs authorities of China and Russia, ensuring quick and error-free processing of all necessary documents. We minimize delays and risks associated with customs control.

- ✓ Preparation and verification of all necessary documents.
- ✓ Resolving issues related to customs legislation.
- ✓ Assessment of customs duties and taxes.

Li Feng

Customs Clearance Manager

Service Type

Includes

04 Consultations on Parallel Import

We offer professional consultations for companies and private entrepreneurs interested in parallel importing. Our specialists will help you choose the best strategies for purchasing and delivering goods, select optimal routes, and help reduce costs.

- ✔ Risk assessment and cost calculation for logistics and customs payments.
- ✔ Recommendations for optimizing imports and minimizing expenses.
- ✔ Market analysis and manufacturer selection.

05 Warehouse Services

Mao Global provides temporary storage services for goods at its warehouses in China and Russia. Our warehouse facilities are equipped for the safe storage of goods of any type, and the warehouse management system ensures quick access to products and their prompt shipment.

- ✔ Short-term and long-term storage of goods.
- ✔ Processing, packaging, and preparation of goods for further transportation.
- ✔ Prompt shipment upon client request.

06 Personalized Logistics Solutions

We offer individual solutions for each client, based on their needs. This can include flexible delivery schedules, special transportation conditions, or additional support at every stage. We are ready to offer the most favorable and efficient logistics routes depending on the type of cargo and client requirements.

- ✔ Selection of transportation means to meet client needs.
- ✔ Flexible cooperation terms and delivery schedules.
- ✔ Development of individual routes.

Our Partners.

Reliable partnerships for effective growth and development

Mao Global is proud of its long-term and reliable partnerships with leading companies and manufacturers around the world. These strategic partnerships help us provide clients with high-quality products and services, as well as support the continuous development and expansion of our business.

Partner Companies and Manufacturers

We collaborate with the world's largest manufacturers and suppliers, allowing us to offer a wide range of products directly from factories.

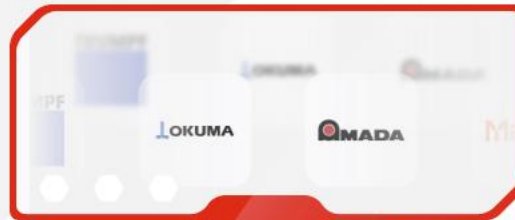

Among
our partners:

Automobiles

Automobile and auto parts manufacturers from America, Europe, and Asia

We collaborate with the world's largest manufacturers and suppliers, allowing us to offer a wide range of products directly from factories.

Equipment

Industrial equipment factories

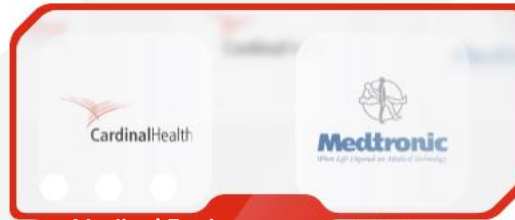

Companies producing high-tech machines and equipment for various industries.

Electronics

Consumer electronics suppliers

Leading brands in electronics, home appliances, and gadgets.

Medical Equipment

Medical equipment manufacturers

Reliable suppliers of medical devices and equipment for clinics and hospitals.

*These partnerships allow us to guarantee the quality of every delivered product and offer competitive prices without intermediaries.

Strategic Partnerships.

We build strategic alliances with key players in international logistics and trade. These partnerships help us optimize logistics and reduce delivery times, as well as ensure the stability of our supplies, even in changing market conditions.

Logistics Companies

We collaborate with leading transportation operators, ensuring efficient and fast transportation of goods from **America, Europe, and Asia** to our warehouses in **China and Russia**.

Customs Brokers

We work with experienced customs brokers who ensure quick and accurate processing of shipments at customs. **This guarantees uninterrupted supplies and minimizes delays.**

Warehouse Operators

Our partners are leading warehouse operators providing modern facilities for reliable storage of goods. **This helps us maintain high quality and timely shipment of products.**

These strategic connections help Mao Global successfully grow and develop, providing clients with the best conditions for collaboration.

Advantages of Partnership with Mao Global.

Reliability and Transparency

Our partners know they can rely on honest cooperation and long-term relationships.

Global Opportunities

Partnering with us opens access to global markets and allows working directly with trusted manufacturers.

Efficiency and Speed

Our partners benefit from our logistics solutions, which ensure fast delivery and cost reduction.

01

02

03

We are always open to new partnerships

That will help strengthen positions in international markets and offer our clients even more favorable conditions.

Delivery & Logistics.

Fast and reliable delivery worldwide

Mao Global offers comprehensive logistics solutions for fast and reliable delivery of goods from America, Europe, and Asia to warehouses in China and Russia. We organize deliveries directly, without transit through third countries, allowing us to reduce delivery time and lower costs for our clients.

Logistics Capabilities

We provide a wide range of logistics services tailored to various types of cargo:

Sea and Rail Transport

Ideal for large batches of goods with optimal costs.

Road Transport

Fast and efficient delivery of goods within Russia and China.

Express Delivery

For urgent and small orders, minimizing wait times.

Customs Clearance

Full range of services for supporting and processing at customs in China and Russia.

Real-Time Cargo Tracking

Ability to track your goods' movement at every stage.

How We Optimize Logistics.

To make our services as beneficial as possible, Mao Global actively optimizes logistics:

Direct Routes

We deliver goods directly, without delays and unnecessary costs from transit through third countries.

Flexible Transport Choices

We select the most suitable delivery option depending on the urgency and client's budget.

Cargo Consolidation

We combine small batches from different clients to reduce transportation costs.

Logistics Automation

Modern IT systems for managing orders and warehouses minimize errors and speed up the delivery process.

Cost Reduction

Long-term partnerships with transportation and warehouse operators allow us to offer competitive rates.
